

The Children's Heart Foundation ("CHF" or the "Foundation") is a not-for-profit organization whose mission is to raise funds to support research for the diagnosis, treatment and prevention of congenital heart defects (CHF's "Mission"). The Foundation periodically produces and distributes publicity material in support of its Mission, and occasionally partners with third-party donors and fundraisers (e.g., Northwestern University's Dance Marathon) (collectively, "Fundraisers") who engage in fundraising activities on behalf of or for the benefit of CHF or its Mission. You and/or your child have related to CHF personal and medical information related to the Foundation's Mission, and the purpose of this document is to allow CHF and its Fundraisers to use that information in support of its Mission.
